

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 3292 - SB 3351**

February 23, 2012

**SUMMARY OF BILL:** Requires county legislative and municipal governing body approval prior to any increase in the classification of a landfill. In counties with a population between 16,400 and 16,500, requires aluminum dross to be disposed of in Class I landfills only, and prohibits landfills located in an incorporated area from being increased beyond a Class II landfill.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- According to the Department of Environment and Conservation, the provisions of this bill can be accommodated within existing resources without an increased appropriation or a reduced reversion.
- This bill will prohibit aluminum dross from being disposed of in the Class II landfill located in Camden, TN, in Benton County.
- Aluminum dross will be disposed of in other landfills located in the state.
- Any fiscal impact on local governments will be not significant.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "Lucian D. Geise".
